Welcome to Cottage Lane...

Robert Ellis estate agents are delighted to present to the market this three-bedroom, detached bungalow situated in Blidworth, Mansfield. The property requires a program of improvement works whilst the Paddock land at the rear offers excellent potential to develop approximately 0.7 hectares.

Upon entry, you are greeted by the entrance porch that leads into an entrance hallway, this in turn leads to the open plan living/dining Kitchen. Off the hallway we have three bedrooms and a bathroom. The bathroom and Kitchen have both been removed ready for renovation works.

To the front and side of the property is a driveway with minimal maintenance front garden and an attached brick-built garage. This flows round to the rear garden which offers a patio area, further driveway, and garden. The paddock land is located to the side and rear and side elevation.

Located in a semi-rural area, this is a stone's throw away from local walks, the black bull bistro, and the local amenities.

The plot itself does offer the potential to split the paddock land and bungalow to create a further development, subject to relevant planning permission approvals. For further information regarding this, please contact the office on 0115 648 5485.
