Benefitting from gas fired central heating with an upgraded boiler in 2018, majority double glazed windows and useful full width sun lounge with utility area.

Situated in a cul de sac amongst similar bungalows, a stone's throw from the town centre of Stapleford and within walking distance of a regular bus service, as well as local amenities.

The property benefits from off-street parking, garage, and easy to maintain gardens.

Due to the current shortage of bungalows for sale in the area, we strongly recommend an early internal viewing to avoid disappointment.
