**£150,000 Freehold**

THIS IS A BAY FRONTED, VICTORIAN SEMI DETACHED PROPERTY SITUATED ON A QUIET ROAD CLOSE TO THE CENTRE OF LONG EATON.

Being situated on Milner Road, this traditional bay fronted Victorian semi detached property provides the opportunity for a new owner to stamp their own mark on their next home. The property now requires a light refurbishment programme and for the size of the accommodation and privacy of the garden at the rear to be appreciated, we recommend that interested parties do take a full inspection so they can see all that is included in the house for themselves. The house is literally only a few minutes walk away from the centre of Long Eaton and is therefore close to the many amenities and facilities provided by the town centre and surrounding area.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives the benefits of having gas central heating, with a relatively new boiler having been installed, and double glazing throughout. The property is entered through a UPVC panelled front door and includes a lounge/sitting room, an inner hall, separate dining room and a fitted kitchen which has wall and base units and integrated appliances. To the first floor the landing leads to the two double bedrooms and the bathroom which has a shower over the bath. Outside there is a walled area at the front of the house, a gate leading to a path which takes you to the rear where there is a brick outbuilding and an outside w.c. and the garden is mainly paved with fencing to the side boundaries and a wall to the rear.

The property is close to the town centre where there is a Tesco, Asda, Aldi and Lidl as well as many other retail outlets, it is literally only a few minutes walk from the well regarded Clifford Gym, there are healthcare and the West Park Leisure Centre is within easy reach, if required there are excellent schools within walking distance and the transport links include J25 of the M1, East Midlands Airport which can be reached via the Skylink bus which takes you to Castle Donington and the Airport and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
