LOCATION.

ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET FOR THE FIRST TIME IN APPROXIMATELY 35 YEARS THIS BAY FRONTED THREE BEDROOM SEMI DETACHED HOUSE SITUATED IN THIS POPULAR AND ESTABLISHED RESIDENTIAL LOCATION WITH NO UPWARD CHAIN.

A real benefit and unique feature to the property is the overall width and size of the plot, offering off-street parking, garaging, generous gardens and a unique under-garage space used for many different purposes over the years, more recently as a bedroom, but could also be used as a home office, gym or playroom.

The general accommodation of the property overall comprises an entrance hall, ground floor bathroom, bay fronted, front to back living room, kitchen and useful understairs storage space. The first floor landing provides access to three bedrooms.

The property also benefits from gas fired central heating, double glazing, off-street parking and a generous overall plot.

The property is located favourably within close proximity of excellent nearby schooling, including an infants and nursery school, and local junior school both accessible on foot. There is also easy access to good transport links, including bus services, train stations and road networks. There is also easy access to open countryside and local walks such as the Nutbrook Trail and canal path.

We believe the property would make an ideal first time buy or young family home and we highly recommend an internal viewing.
