With accommodation on one level, comprising an entrance hall, two bedrooms, bathroom, spacious living dining room, conservatory and kitchen.

The property also benefits from gas fired central heating, double glazing, off-street parking and enclosed garden to the rear.

The property has also had a replacement roof structure (some 12-18 months ago) offering further peace of mind to the onward purchaser.

There is also easy access to good transport links to the surrounding area, including Beeston and its variety of national and independent retailers.
