

Smithfield Avenue
Trowell, Nottingham NG9 3PD

A THREE BEDROOM SEMI DETACHED
HOUSE.

£295,500 Freehold

We are pleased to offer for sale this traditional three bedroom semi detached house offering a modern contemporary interior.

Situated in a cul de sac within the popular and sought after suburban village of Trowell, the cul de sac having the benefit of a footpath leading through to the C of E Primary School. The village has a great community feel and is close to open spaces, yet conveniently situated with good transport links to the nearby towns of Beeston, Stapleford and Ilkeston, as well as Nottingham city centre and Junction 25 of the M1 motorway for those looking to commute further afield.

This exceptionally well presented property comes to the market including an open plan family dining kitchen with modern units and sliding doors opening to the attractive rear garden. There is a separate sitting room which has bi-fold internal doors, linking this with the dining kitchen, making a great space for entertaining.

Further features include gas fired central heating served from a combination boiler, double glazed windows and a luxury four piece bathroom suite with a large bathtub and separate shower area.

Externally is no less impressive. There is a forecourt providing off-street parking for up to three vehicles, a partially enclosed car port and garage, and the larger than average gardens are particularly well maintained with plenty of seating areas which can be used in the Summer months, a good sized lawn. At the foot of the plot is a purpose-built cabin which is insulated, has light and power, and French doors. Currently used as a playroom, but is also ideal for those looking to work from home, as a den/gym/mancave, etc.

An all round fantastic family home of which an early internal viewing comes highly recommended.
