

Wilmot Street,
Sawley, Nottingham
NG10 3EL

O/I/R £249,950 Freehold

A TRADITIONAL THREE BEDROOM SEMI DETACHED HOUSE WHICH IS POSITIONED ON A LARGE PLOT WITH A DETACHED GARAGE AND GARDENS TO THREE SIDES.

Being situated at the end of Wilmot Street, this three bedroom semi detached home is ready for immediate occupation and over the years has been well appointed throughout, as people will see when they take an internal inspection. The property stands on a large plot and we believe there might be the potential to create a building plot to the left hand side of the house, but this is something a new owner would have to investigate after they have purchased the property. The property is being sold with NO UPWARD CHAIN and with little, if any work, is ready for a new owner to take immediate occupation. The house is well positioned for the local amenities and facilities provided by Sawley which includes the Co-op convenience store on Draycott Road and schools for younger children, with Long Eaton also being within easy reach where there are many more amenities and facilities provided.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well maintained accommodation derives the benefits of having gas central heating and double glazing. Being entered through an enclosed porch, the accommodation includes a reception hall which has tiled flooring that extends into the lounge which has a feature fireplace and window to the front and the large dining kitchen is well fitted in the kitchen area with extensive ranges of wall and base units and also includes several integral appliances. From the dining/sitting room of this large open plan living space there are patio doors leading into the conservatory which in turn connects to the private rear garden. To the first floor the landing leads to the three bedrooms, all of which have ranges of built-in wardrobes and the fully tiled shower room which includes a mains flow shower system in the corner shower unit. Outside there is a brick detached garage positioned to the rear of the house, a block paved driveway which extends through double wooden gates at the side to a large block paved parking area next to the house and there are lawned gardens to the front and rear of the property.

The property is well placed for easy access to the local amenities and facilities provided by Sawley and the surrounding area with there being a Co-op store on Draycott Road and further shopping facilities found on Tamworth Road, there are schools for younger children with many more shops and schools for older children being found in Long Eaton where there are Asda, Tesco, Lidl and Aldi stores as well as many other retail outlets, there are healthcare and sports facilities including the Trent Lock Golf Club, walks in the nearby open countryside and along the banks of the River Trent and the excellent transport links include junctions 24 and 25 of the M1, East Midlands Airport, Long Eaton and East Midlands Parkway stations and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

Outside

At the front of the property there is a block paved driveway with a path leading to the front door and there are gates leading to the drive/car standing area at the side of the house. There are lawns to either side of the driveway with borders to the sides and there is fencing to the front and side boundaries.

The rear garden has a slabbed area at the rear and side of the conservatory, a lawn with borders and fencing to the side and rear boundaries. There is a large block paved driveway to the side of the house which provides off road parking for a number of vehicles and provides access to the garage, there is storage space at the side of the garage and an outside tap and an external light is provided.

Garage

18'3 x 9'8 approx (5.56m x 2.95m approx)

A brick built garage having a pitched tiled roof with double doors to the front, two windows to the side and power and lighting is provided in the garage.

Agents Notes

We believe that due to the size of the plot there may be the potential to create a building plot on the land at the side of the house. We have not investigated this possibility, but it may be something a new owner would like to consider in the future.

Directions

Proceed out of Long Eaton along Tamworth Road and at the traffic island continue straight over and into Sawley. Turn right into Victoria Street and left into Wilmot Street and the property can be found as identified by our for sale board on the right hand side.
