

Crown Hill Way
Stanley Common, Derbyshire DE7 6XA

£425,000 Freehold

We have great pleasure in offering for sale this surprisingly spacious five double bedroom family residence.

Situated towards the head of a cul de sac, this modern property was built in 2011 and offers all the comforts of a modern home. The property enjoys a welcoming hallway giving access to the ground floor accommodation which includes a useful cloaks/WC, a generous living room with a separate reception room (currently used as a playroom), and an open plan dining kitchen with separate utility room.

Rising to the first floor, the landing gives access to five well proportioned double bedrooms, the principal with en-suite shower room, and there is a family bathroom.

A forecourt provides ample off-street parking for up to three vehicles and a useful integral single garage.

The rear garden is enclosed with a large patio area and an attractive picket fence and gate separating this from the lawn.

Situated in the desirable Derbyshire village of Stanley Common, offering a great community feel and with open countryside on the doorstep, this property is ideal for those who enjoy the outdoors. Stanley Common has its own primary school which is within walking distance of the property. Far from being isolated, the village is within easy reach of the busy market town of Ilkeston, as well as the cities of Derby and Nottingham and Junction 25 of the M11 motorway (for those looking to commute).

The property is centrally heated and double glazed, and offers great flexible accommodation for growing families, as well as those looking to work from home. The property is being sold with a complete upward chain and an internal viewing is highly recommended.
