OUTSIDE

The property is set back from the road on an elevated plot with a pillared driveway leading to electric remote controlled wrought-iron gates, a forecourt recently finished with a resin bonded driveway with turning area and parking for several vehicles. This is framed by a monocouche rendered wall with inset lighting. There is a mature front garden and variety of evergreen and deciduous trees enhancing privacy. Indian Sandstone paved front terrace. The resin driveway continues along the side of the property, to the front door and beyond to the rear garden where the driveway continues and there is additional hard standing which could equally be used as seating areas for the garden. Beyond the rear elevation is an attractive and enclosed decked area with raised planters, built-in seating with pergola. There is an area of Indian sandstone patio and pathway which continues to the annex where there is a raised garden area finished with high quality artificial turf and additional raised planters. Behind the annexe is a further paved area (ideal for storage or private seating).

GARDEN ROOM

15'5" x 7'6" (4.7 x 2.29)

A purpose-built facility with monocouche render and timber cladding accessed via uPVC double glazed French doors, additional double glazed window, light and power. This versatile space currently houses a hot tub, but could equally be used as a home office, gym, chill out area, etc. There is a separate compartment accessed from a uPVC double glazed door which measures 2m x 2.22m with light and power and is currently used as a garden store.

We have great pleasure in offering for sale this substantial seven bedroom detached family residence with a purpose-built self-contained two double bedroom DETACHED ANNEXE within the grounds.

Set back and obscured from the road on an elevated position, accessed from a recently laid contemporary driveway with remote controlled electric gates. This extensively re-modelled property has accommodation over three floors and is finished to the highest standards. Finished in monocouche and cedar wood cladding, offering a striking contemporary appearance with aluminium double glazed windows and doors throughout.

Features of the main house include full gas fired central heating with Vaillant system boiler and pressurised hot water, integrated Music Cast sound system, CCTV with Smart App, electric gates with Smart App and intercom, two family bathrooms and the master and second bedroom both with ensuite facilities. A generous open plan living family dining kitchen has a German engineered, Poggem & Pohl units with integrated appliances and central island unit. Two sets of bi-fold doors from this room enjoy a seamless transition from the house to the garden.

With accommodation over three floors, to the top floor a large cinema room with integrated 5.1 surround sound speaker system.

Within the grounds is a purpose-built two storey two bedroom detached annexe, independent from the property with electric central heating and an open plan living dining kitchen. This versatile space is ideal for those with extended families, dependent relatives, or as a young adult's private space, but could equally be used for those looking for home working. There is a purpose-built garden room finished to the same standards which currently houses a hot tub, but could equally be used as a small home office, gym, den, etc.

The rear gardens offer a contemporary social and relaxing space with a large decked terraced area framed with raised planters and a pergola with seating.

Situated in this highly regarded residential location, ideal for families and commuters and alike as well regarded schools for all ages are within walking distance. For those looking to commute, the A52 for Nottingham, Derby and Junction 25 of the M1 motorway is a few minutes drive away, as is the park and ride for the Nottingham Tram. East Midlands Airport is no more than 20 minutes drive away.

With so many features and accommodation on offer, we highly recommend a detailed internal viewing to fully appreciate this stunning home.
