Ilkeston, Derbyshire DE7 4AP

£150,000 Freehold

A TWO DOUBLE BEDROOM END
TERRACED HOUSE WITH PARKING TO
THE REAR.

A surprisingly spacious two double bedroom end terraced house with the benefit of off-street parking to the rear.

Offering a modern and contemporary feel internally, this traditional house benefits from gas fired central heating served from a combination boiler and has two reception rooms, the dining room partially open to the modern fitted kitchen.

What cannot be appreciated from the front is that the property has a larger than expected rear garden with patio and lawn. There is also a useful attached utility/laundry room. Beyond the back gate is designated off-street parking for a car which is accessed from a service road.

Situated in this popular residential suburb close to local amenities, shops and a regular bus service. There are good road networks to the nearby cities of Nottingham and Derby.

This property will make a fantastic first home and an early internal viewing comes highly recommended.
