OUTSIDE

The property is approached through a walled and pillared entrance with a sweeping driveway cutting through the formal gardens leading to a generous forecourt providing parking for several vehicles and leading to a carport with light, power and clock tower. The formal grounds extend to approximately one acre and are mainly laid to lawn with a variety of mature trees and shrubs. There is a contemporary seating area to one corner set in a glass balustrade with raised timber bedding and a small soft fruit patch. Purpose-built pavilion-style summerhouse with a power supply and cold water tap. There is a further open patio area, some Gabion stone walling adjacent to the French doors of the kitchen. To the rear elevation is a courtyard style garden finished with pebbles and artificial lawn which enjoys far reaching views over the surrounding area. The forecourt leads off to the right where a gate and further driveway gives access to the paddock offering approximately four acres of grassed land enclosed with rail and post fence and hedges.

STABLE COURTYARD

60'5" x 34'4" (18.44 x 10.48)

An enclosed fenced and private space, giving access to the detached residential annex and block which consists of six stables. In more detail, the foaling stable is 3.45m x 5m overall, the five remaining stables all measuring approximately 3.45m deep x 3.5m. Tack room is 3.44m deep x 2.3m wide.

A rare and interesting opportunity has arisen to purchase a substantial three storey, five bedroom detached farmhouse with separate self-contained two bedroom two storey annexe, with formal grounds approaching 1 acre with an additional 1.6 acre paddock and stable block for six horses/ponies.

This superbly appointed farmhouse has been renovated in recent times by the current owners and offers spacious and high quality living with a spacious family dining kitchen, as well as two further reception rooms, and generous bedroom accommodation over the first and second floors, the principal with luxury en-suite shower room and walk-in dressing room/wardrobe, as well as the second bedroom having a luxury en-suite bathroom with a "Jack & Jill" facility to the third bedroom which could be used as an additional dressing room. The second floor gives access to two double bedrooms and useful kitchenette and bathroom, making this ideal for growing teenagers.

Within the grounds is a detached purpose-built annexe with a fully fitted kitchen, generous living room, two double bedrooms and bathroom facility. This is ideal for extended families or for grownup children looking for personal space.

Situated on the edge of open countryside, both the main house and the annexe enjoy a panoramic vista over the surrounding area. Close to the South Derbyshire villages of Risley, Stanton by Dale and Dale Abbey, yet far from being isolated, the property is situated within a five minute drive of the A52 and Junction 25 of the M1 motorway, giving direct access to the nearby cities of Nottingham and Derby, and larger market towns of Long Eaton and Beeston.

This versatile property and grounds is ideal for those looking for personal equestrian use with purpose-built stabling including a foal stable and tack room. Equally, these buildings can be put to other uses such as workshops, etc. and the paddock into a small holding for those who are looking to embark on " The Good Life".

It is rare to find such an opportunity in this location, especially one which is ready for immediate occupation. We strongly recommend a detailed viewing of the property and grounds to fully appreciate what is on offer.
