

Trafalgar Road,
Long Eaton, Nottingham
NG10 1DD

£320,000 Freehold

Being constructed of an attractive facia brick under a pitched tiled roof and being highly appointed throughout, this large three bedroom detached home includes a reception hall, from which stairs take you to the first floor and doors lead to the through lounge which has windows to the front and side and the exclusively fitted and equipped living/dining kitchen which will have high quality kitchen units and appliances and from the dining area there will be double opening, double glazed French doors leading to the garden. There is also a ground floor w.c. and to the first floor the landing will lead to the three good size bedrooms, the main bedroom having an en-suite shower room/w.c. and the family bathroom will include a mains flow shower over the bath. Outside there are good size gardens which will be lawned with fencing to the boundaries and off road parking is provided for two vehicles.

The property is within easy reach of all the local amenities and facilities provided by the area including Tesco, Asda, Lidl and Aldi stores as well as many other retail outlets in Long Eaton town centre, there are excellent schools for all ages within walking distance of the house, healthcare and sports facilities include the West Park Leisure Centre and adjoining playing fields, there are walks at nearby Trent Lock and the excellent transport links include junctions 24 and 25 of the M1, East Midlands Airport which can be reached by the Skylink bus which takes you to Castle Donington and the airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

Porch

Open porch with a pitched tiled roof and an outside light leading through a stylish composite front door with inset opaque glazed panel to:

Reception Hall

Stairs with carpeted flooring leading to the first floor, laminate flooring extending through into the dining/living kitchen, radiator and panelled doors to the lounge and living/dining kitchen and there is also a built-in cloaks cupboard which has two power points and the electric consumer unit is housed in the cloaks cupboard which also has a light.
