

Queens Road,
Beeston, Nottingham

£725,000 Freehold

A substantial Victorian detached building formally used as a hotel.

Having been utilised as a hotel since the mid 1970's, in the ownership of the same family for over 50 years, this great building offers an excellent development opportunity, that can be used for several purposes, subject to the necessary planning consents, or can continue as a functioning hotel.

Occupying a good-sized corner plot in a central and sought-after Beeston location, a short walk from the town centre and train station, the property has retained much original character and charm, with high ceilings and generous room sizes.

In brief the internal accommodation comprises: reception, three lounges, dining room, bar, office, kitchen, fifteen bedrooms, twelve of which have en-suites, further bathroom and attic space, that is currently being used as accommodation, but was not converted in accordance with building regulations.

Outside the property sits on a good-sized corner plot, with gardens to the side and front and parking to the rear.

Seldom do properties of this scale and potential come to the market, therefore viewing is considered essential.
