

Ilkeston Road
Stapleford, Nottingham NG9 8JE

£395,000 Freehold

A THREE BEDROOM DETACHED HOUSE.

Situated on a garden plot of just under a quarter of an acre is this traditional three bedroom detached family home.

Set back some way from the road, the property enjoys a large frontage which is screened to the front boundary, lawns and a driveway providing ample parking. The driveway continues through gates to the rear where there is additional hard standing, carport (suitable for caravan) and double garaging. There is also gated additional hard standing. These features are ideal for those with a number of vehicles, car enthusiasts, motorhomes, caravans, etc.

The property offers well balanced accommodation which is centrally heated by a recently installed gas combination boiler and benefits from double glazed windows.

The accommodation comprises entrance porch, hallway, two reception rooms and an extended kitchen with breakfast area. To the first floor, the landing provides access to three bedrooms and a four piece family bathroom.

Situated in this highly regarded residential suburb on the borders of Bramcote. The property is opposite Ilkeston Road Recreation Ground, within walking distance of local schools and many open spaces, including Hemlock Stone, Bramcote Hills Park and Bramcote Hills Leisure Centre. For those looking to commute, the A52 is a short drive away giving direct access to Nottingham, Derby, Beeston and Junction 25 of the M1 motorway for further afield.

Due to the plot size, the property lends itself for extending to make into a larger, long term family home (subject to the usual permissions, etc.).

This property has been a fantastic family home for many years and the current owners are now selling as they are looking to downsize.

We recommend viewing the property and grounds to fully appreciate what is on offer.
