Individual building plot of approx. 148 SQM located in an established and popular, primarily residential suburb within Giltbrook.

Full planning permission was originally granted on 11th June 2004. Works commenced at the end of 2007 and beginning of 2008 which included the completion of raft foundations and drainage for the new dwelling. No further work has been carried out since this time. The Sellers have sought and have recently had granted a certificate of lawfulness for "existing use for construction of dwelling", allowing the development to continue.
