THIS IS TRULY A STUNNING INDIVIDUAL DETACHED HOME PROVIDING EXTENSIVE GROUND FLOOR LIVING ACCOMMODATION AND FIVE DOUBLE BEDROOMS, POSITIONED IN A SOUGHT AFTER LOCATION.

Robert Ellis are pleased to be instructed to market this individual detached property which over the past 20 years has been altered and extended by the current owners to suit their own living requirements and tastes and for all that is included to be appreciated, we recommend that interested parties do take a full inspection so they can see the size of the ground and first floor accommodation and privacy of the Southerly facing gardens at the rear for themselves. Since being originally constructed the property has been significantly extended which has created additional living and bedroom accommodation and there is also a double garage positioned at the front which could be easily changed into a separate annex or additional living accommodation if this was required by a new owner. The property is well placed for easy access to the excellent local schools which include Trent College and Wilsthorpe School as well as shopping and other facilities provided by Long Eaton and the surrounding area and to excellent transport links, all of which have helped to make this a popular and convenient place to live.

The property is constructed of an attractive facia brick to the external elevations under a pitched tiled roof to the main property and being tastefully finished throughout, the spacious accommodation derives all the benefits from having gas central heating and double glazing. Being entered through the main front entrance door, there is a hallway, from which there are stairs leading to the first floor and doors leading to the main lounge and to the study/sitting room which has panelling to all the walls, there is then a door taking you to an open plan sitting area which leads through into the dining/living kitchen with the kitchen being fitted with hand-made units and granite work surfaces. To the right of the kitchen there is a separate dining room which can be accessed from the kitchen or the lounge and this room has bi-folding doors leading out to the rear garden and a lantern window to the ceiling. There is a separate sitting room/snug with a further glazed door leading out to the rear garden and there is a door taking you into the utility room, off which there is a ground floor w.c. and a further door leads into the cinema room which in turn has an internal door leading into the double garage. To the first floor the landing leads to the five double bedrooms, the main bedroom having a luxurious shower room en-suite, two bedrooms share an en-suite where there is a Japanese plunge bath with a mains flow shower system over and there is then the main family bathroom which includes a spa bath with cushion head rests to either end and a separate large walk-in shower. Outside there is the double adjoining garage, a gravelled drive with box hedging and lawns to either side leading up to the front of the house and the garage and at the rear the Southerly facing garden has a patio extending across the rear of the house with uplighting and this leads onto a large lawned garden with various well planted beds to the sides and along the bottom where there is a walk way through into further outside seating areas with the garden being kept private by having walls and fencing to the boundaries.

The property is within walking distance of Trent College, The Elms and Wilsthorpe School, there are Asda, Teso and Aldi stores as well as many other retail outlets found in Long Eaton town centre, healthcare and sports facilities which include the West Park Leisure Centre and adjoining playing fields, walks in the nearly open countryside and the excellent transport links include J25 of the M1 which is only a few minutes drive away, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads which provide good access to Nottingham, Derby and other East Midlands towns and cities.
