

Glendon Street
Stanley Common, Derbyshire DE7 6GQ

A FOUR BEDROOM DETACHED FAMILY HOME.

£399,950 Freehold

We have great pleasure in offering for sale this significantly extended four bedroom detached family home.

The current owners have cleverly extended this property to provide for particularly spacious family living. There is a welcoming hallway that gives access to the ground floor rooms where there is a substantial living room to the front. The hub of the household is an open plan family dining kitchen which has both a dining and living space with an open fire, making this a great place to socialize and entertain. The kitchen units are finished with solid oak door fronts and there is a brand new double oven, hob and extractor. There is a large, useful utility room and, of course, a cloakroom/WC.

A dog-leg staircase leads you up to the first floor landing, where there is a loft hatch to a partially converted loft space and the four well proportioned bedrooms, great for growing families, the principal bedroom having a newly fitted en-suite shower room, and there is a modern family bathroom.

This energy efficient home is heated by a modern combination boiler and has double glazed windows throughout. Newly decorated throughout, with many new floor coverings, this property really is ready to move into.

Situated in the popular Derbyshire village of Stanley Common, which has a great community feel, ideal for young families with a primary school on the doorstep, as well as open space, playing fields and on the edge of open countryside with many footpaths to explore and can lead you to the nearby village of Morley, West Hallam and Mapperley, which is on the edge of Shipleigh Country Park.

Far from being isolated, there is a regular bus service and ease of access to the nearby larger market town of Ilkeston, as well as the cities of Derby and Nottingham.

The property is situated in a slightly elevated position and has a forecourt providing parking for up to four vehicles. The rear gardens are attractively landscaped with three patio areas and lawn.

Offered for sale with NO CHAIN, we strongly recommend an early internal viewing.
