

Manor Court,
Bramcote, Nottingham
NG9 3DR

£750,000 Freehold

A delightful, light filled, three-bedroom detached family home, situated in a beautiful private lane in the very much sought-after Bramcote conservation area.

The house, which was converted from an original barn and apparently extended to become the farm manager's cottage, offers a large open plan living/diner and kitchen area with feature vaulted ceilings with original beams and trusses showing their makers marks. Velux sky lights, timber double glazing, bay window seating and underfloor heating make a luxurious, comfortable space. Three pairs of French doors connect to the gardens and a courtyard which hosts a stone, wood-fired pizza oven. The utility sits conveniently off this main area.

Manor Cottage is one of 7 converted from farm buildings, in an idyllic setting surrounding a verdant shared garden. With a friendly, welcoming community this is a beautiful tranquil environment in which to enjoy life. Separate to the shared garden, the property benefits from its own private, well stocked and mature gardens that wrap around the house with an extremely private courtyard to the rear and a double garage with electric door adjacent to the property.

Manor Cottage is a short walk from countryside, good local primary and secondary schools, Beeston town centre and Beeston Fields Golf Course and Attenborough Nature Reserve. The A52 and M1 are also a short drive away.
