ROBERT ELLIS ARE DELIGHTED TO OFFER TO THE MARKET THIS SUBSTANTIAL VICTORIAN THREE STOREY SEMI DETACHED HOUSE POSITIONED WITHIN THIS POPULAR TREE-LINED RESIDENTIAL LOCATION.

With accommodation over three floors, the ground floor comprises entrance hallway, living room, dining room, dining kitchen and utility room. The first-floor landing provides access to two of the three of the FOUR bedrooms and the bathroom suite and separate W/C. A further turning staircase then rises to the top floor where a further double bedroom can be found.

Other benefits to the property include gas fires, electric heating, partial double glazing and a dual compartment cellar accessed via a staircase from the hallway.

The property sits within this favorable tree-lined residential location within easy reach of excellent nearby transport facilities such as the inner ring road which provides access to both QMC and City Hospitals and links towards the M1 for further distance travelling and a variety of nearby town centers offering a vast array of national and independent retailers.

Although requiring a degree of modernization and improvement, we believe that the property would make a good longstanding family home and highly recommend internal viewing.

Viewing recommended.
