A RARE OPPORTUNITY TO ACQUIRE THIS STUNNING & BEAUTIFULLY APPOINTED FOUR BEDROOM GEM ON BEESTON FIELDS DRIVE SITUATED IN APPROX 1/2 AN ACRE

Being located on arguably one of the most prestigious addresses in Nottinghamshire, this property provides a lovely four double bedroom home, beautifully appointed with landscaped gardens to the front and rear and set in approximately 1/2 an acre. The property is hidden from the road by mature hedging to the front and the well cared for gardens to the front and rear are an important feature of this lovely home. We understand that the property was originally built by a local builder for their own family occupation.

The property has an attractive appearance and is constructed of brick with part render to the external elevations under a pitched tiled roof with light and spacious accommodation. All in all a wonderful orientation.

This stunning property will provide a new owner with the opportunity to upgrade the existing property, which could include extending the accommodation into the ample roof space, or, if preferred, re-developing the plot to create another individual home to suit the requirements of a new owner. There is ample and exciting flexibility, all subject to necessary planning consents.

The accommodation includes a fully enclosed porch leading through an inner door into the spacious reception hallway, from which there is a picture window overlooking the rear garden and doors take you into the large drawing room and separate dining room with an inner hall taking you to a sitting room at the rear which could be part of an independent suite if this was required. The kitchen is fitted with wall and base units and includes integrated appliances and has a walk-in pantry off, there is a utility area which connects to the garage, a guest cloakroom and to the left hand side there are three double bedrooms with the main bedroom having a dressing area and en-suite bathroom, with the fourth bedroom being positioned next to the rear sitting room and having a second en-suite bathroom. To the right hand side of the property there is an adjoining double garage, a drive provides access from Beeston Fields Drive to car standing for several vehicles at the side of the property, the front garden is south facing and this has a large lawned area with mature borders to the sides, there is a walled patio to the left hand side and access via gates either side through to the rear garden where there is a patio extending across the rear of the property and this leads onto a further large lawned garden with established borders and natural screening to the sides.

Not only regarded as arguably one of the most prestigious addresses in Nottinghamshire, it is also wonderfully situated to significant amenities, schools (the Nottingham High schools, Trent College) and communication networks. The highly regarded Beeston Fields Golf Club is a few minutes walk away, Beeston town centre offers a raft of amenities, supermarkets (Sainsbury's, Tesco, Lidl), retail outlets, bars, restaurants and many other facilities. The Queens Medical Centre (QMC), Boots & Nottingham University are only a few minutes drive away.
