ShIPLEY, Heanor DE75 7RE

£365,000 Freehold

A FOUR DOUBLE BEDROOM DETACHED
FAMILY HOME.

We have great pleasure in offering for sale this nearly new four double bedroom detached family home. Located in a unique setting, known as "Shipleys Lakeside" which is quickly establishing itself as a modern development set around a large lake and close to open countryside.

Built to the "Baybridge" design by Harron Homes and completed in 2023, the property benefits from the remainder of a 10 year build warranty. This energy efficient home benefits from all the comforts of modern living and enjoys features such as open plan, fully fitted dining kitchen which creates a great social space for entertaining and for families to gather.

Further features of this property are separate utility room, cloaks/WC and four generously proportioned double bedrooms, the principal with en-suite shower room, and a family bathroom.

Shipleys Lakeside is set on the former grounds of the American Adventure Theme Park. The property has a great position within the development, having views from the front along the street to the lake in the distance and to the rear the property has views and backs onto a natural open space. Far from being isolated, there are facilities nearby including highly regarded primary and secondary schools, and there is a wide variety of shops and facilities in the nearby market towns of Heanor and Ilkeston, as well as good road networks for those looking to commute further afield. The property enjoys off-street parking for two vehicles, a generously proportioned single garage, and landscaped rear gardens with patio, lawn and raised planters.

The current owner has further enhanced the property internally with contemporary decor, making this into a superb family home, ready to move into.
