An instantly attractive bay fronted turn of the 19th/20th Century end terraced house.

This period property comes to the market with NO UPWARD CHAIN and benefits from gas fired central heating served from a combination boiler and majority double glazed windows.

This property is situated in this highly regarded residential suburb conveniently placed within walking distance of many amenities, including Beeston train station, giving direct access to London St. Pancras, as well as Nottingham. Also within walking distance is a bus stop and tram stop and the vibrant town centre of Beeston, which offers a multitude of shops, facilities, restaurants and cafes for all tastes. There is even a cinema.

The property has a small front garden and a pleasant enclosed rear garden with patio, lawn and garden shed.
