GUIDE PRICE £550,000 - £575,000

Robert Ellis Estate Agents are proud to offer to the market this stunning three/four bedroom detached family home situated in Lambley, Nottingham.

This unique and impressive family home is part of a newly developed, private cul-de-sac of 4 individually bespoke properties, conveniently located within Lambley, the property is within walking distance to Gedling Country Park and a short drive from shopping facilities provided by both the Mapperley Top shopping parade and Arnold town centre which includes Sainsbury's and Asda stores as well as independent shops, there are several local pubs and restaurants close to hand, healthcare and sports facilities including Nuffield Gym and Mapperley Golf Club situated next to the development. Also, it is conveniently located close to Nottingham city centre for the Nottingham High Schools together with highly regarded local schooling.

Meticulously built by the current owners over recent years, this high-specification property is filled with thoughtful details and premium features. The under-floor heating system extends throughout the ground floor, excluding the pantry which remains cool during summer, and the house is equipped with solar panels on the detached rear garage, which also includes a remote-controlled roller door. Interior highlights include oak internal doors, a plant room, and a striking glass balustrade oak dog-leg staircase ascending to the first floor.

The main bedroom is particularly notable for its solid oak A-frame structure, high vaulted ceiling, en-suite bathroom, and two sets of bifold doors that open onto a frameless glass balustrade balcony, offering stunning countryside views to the front, additionally the home offers two further double bedrooms on the first floor and a office/double bedroom on the ground floor.

To the front of the property there is a good sized pebble front garden with feature central pebble area, porcelain tiled patio area and raised sleeper beds with shrubbery. To the rear, there is a good sized enclosed rear garden with porcelain tiled pathway, a low maintenance artificial lawn and raised sleeper beds with shrubbery. Outside the property benefits from PIR activated external lighting and porcelain tiled pathways with LED flood lights leading around the whole property.
