Being situated on a quiet cul-de-sac which is only a few minutes walk away from the town centre, this two reception room and three bedroom Edwardian double fronted detached property provides a lovely home for people searching for a character property on which for little cost they can stamp their own mark. For the full extent of the accommodation included, and the beautifully finished period bathroom, we strongly recommend that all interested parties do take a full inspection so they are able to see all that is included in the property for themselves.

The property is constructed of brick to the external elevations under a pitch tiled roof and the spacious accommodation included derives the benefits of gas central heating and double glazing. There is a brick store at the rear of the house and a wooden shed which we believe will remain when the property is sold.

Being located on Neale Street the property is within a few minutes drive of the ASDA and Tesco superstores and other retail outlets found in Long Eaton town centre, there are health care and sports facilities, excellent local schools for all ages and transport links which include junctions 24 and 25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads all of which provide good access to Nottingham, Derby and other East Midlands towns and cities.
