AN EXTENDED & EXTREMELY WELL
PRESENTED BAY FRONTED FOUR
BEDROOM DETACHED FAMILY HOUSE.

ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS EXTREMELY WELL PRESENTED AND EXTENDED FOUR BEDROOM, TWO BATHROOM, THREE TOILET DETACHED FAMILY HOUSE SITUATED IN THIS POPULAR AND ESTABLISHED RESIDENTIAL LOCATION.

Previously, the property had planning permission granted in March 2019 for a side dormer and loft conversion should the onward purchaser decide to re-investigate extending the property further.

The current accommodation is currently split over two floors and comprises of an entrance hall, ground floor WC, utility room, bay fronted living room and open plan "L" shaped family living/dining kitchen with feature bi-folding door opening out to the rear garden.

The first floor accommodation comprises four bedrooms (the principal with en-suite facilities) and four piece family bathroom suite. There are also foldaway wooden pull-down loft ladders accessed from the first floor landing providing access to a useable loft space which currently has no regulations to be classed as habitable accommodation but has previously been used as a study space/general storage.

Externally, to the front of the property there is a good size tarmac driveway providing side-by-side off-street parking. The rear garden is accessed via fully opening bi-fold doors from the family living/dining kitchen with a good size entertaining space leading onto a patio, lawn and rear covered outdoor kitchen/bar area with useful garden storage space situated at the foot of the plot.

The property sits favourably with easy access to nearby schooling for all ages, as well as good transport links to and from the surrounding area such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

There is also easy access to a variety of national and independent retailers and shopping facilities in the nearby town centre, as well as Beeston and Ilkeston.

We believe the property will make an ideal long term family home with further potential to extend (see historic planning permission). We highly recommend an internal viewing.
