A TWO BEDROOM DETACHED HOUSE
SITTING ON A GENEROUS OVERALL
CORNER PLOT.

ROBERT ELLIS ARE PLEASED TO BRING TO THE MARKET THIS TWO BEDROOM (ORIGINALLY CONSTRUCTED AS A THREE BEDROOM) DETACHED HOUSE SITTING ON A GENEROUS OVERALL CORNER PLOT IN THIS POPULAR AND ESTABLISHED RESIDENTIAL NO-THROUGH ROAD CUL DE SAC LOCATION.

With accommodation over two floors, the ground floor comprises entrance porch leading through to an entrance hall, spacious living room, dining room, kitchen, conservatory and WC. The first floor landing now provides access to two double bedrooms and a three piece shower room.

As previously mentioned, the property was originally built as a three bedroom detached house, with the current owners have adapted the front two rooms to create one large principal bedroom to the front.

The property also benefits from gas fired central heating, double glazing, off-street parking, generous garage, solar panels and an exceptional garden plot, which could be adapted or altered (subject to relevant permissions and approvals). The property sits favourably within close proximity of the shops, services and amenities in Stapleford town centre, whilst also providing good access to nearby transport links such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

We believe the property will be open to a variety of buying types, including first time buyers, young families or potential developers alike, depending upon what could be achieved on the plot itself.

We highly recommend an internal viewing.
