

Wilsthorpe Road,
Breaston, Derbyshire
DE72 3AG

O/O £650,000 Freehold

THIS IS A LARGE EXTENDED DETACHED PROPERTY POSITIONED ON WILSTHORPE ROAD WHICH PROVIDES A LOVELY FAMILY HOME HAVING A LARGE SOUTH FACING GARDEN TO THE REAR.

Robert Ellis are very pleased to be asked to market this substantial detached property which provides extremely large ground floor living accommodation and four bedrooms to the first floor which could easily be altered to make it a five bedroom home. As people will see from the sales literature the house has an EPC rating of B and therefore is an extremely economical and efficient large family house to run. It would be difficult for interested parties to be able to appreciate the actual size of the accommodation included and the privacy and size of the garden at the rear by just taking a casual look at the front elevation so we strongly recommend they take a full inspection so they can see all that is included in this large family home for themselves. The property is being sold with the benefit of no upward chain and it is therefore ready to move into by a prospective purchaser. Breaston is a very popular village located between Nottingham and Derby which has a number of local amenities and facilities and excellent access to transport links, all of which have helped to make this a very popular and convenient place in which to live.

The property is constructed of brick to the external elevations under a pitched tiled roof and the spacious accommodation derives the benefits of gas central heating and double glazing and as mentioned previously has a FIT solar panel system fitted to the roof which provides an incredible cost saving tariff. The property is entered through a stylish composite front door into the reception hall, from which there are stairs with a feature chrome spindle balustrade leading to the first floor and doors to the lounge/sitting room which is an extremely large room and from this room there are sliding glazed doors to a second sitting room, the kitchen is again a very large room and has extensive ranges of wall and base units and off the kitchen there is a study/office or play room which could, if required, be used as an additional bedroom. To the rear of the house there is a further large sitting/day room which extends across the back of the house and has glazed French doors leading out to the South facing rear garden. There is also a utility room and a ground floor wet/shower room with a w.c. To the first floor the landing leads to the four bedrooms, one of which could be divided into two bedrooms so the property provides five bedroom accommodation and this large room has a feature vaulted ceiling with a mezzanine floor and the bathroom is fully tiled and has a shower over the bath. Outside there is block paved car standing at the front providing off the road parking for several vehicles and access down the right hand side of the property to the rear garden. The rear garden is an important feature of this lovely home and there is a block paved walled patio extending across the rear of the house with steps leading down to the lawn and a further block paved patio and at the bottom there is a further lawn with a vegetable garden area and a large brick outbuilding which provides an excellent storage facility. The rear garden is immaculately maintained and is kept private by having fencing, hedging and other natural screening to the boundaries.

Breaston is a most sought after award winning village which has schools for younger children, a number of shops, three pubs, a Bistro restaurant and various coffee eateries, there are schools for older children at both Long Eaton and Sandiacre, further shopping facilities are found in Long Eaton where there are Asda and Tesco superstores and many other retail outlets, there are healthcare and sports facilities including several local golf courses, walks in the surrounding picturesque countryside and the transport links include J25 of the M1 which is just a five minute drive away, stations at Long Eaton, East Midlands Parkway and Derby, East Midlands Airport is within easy reach and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

Stylish composite front door with four inset glazed block panels and opaque glazed side panels leading to:

Reception Hall

Stairs with feature chrome spindle balustrade with wooden hand rail leading to the first floor having a storage cupboard below, Kamdean style flooring, cloaks cupboard and a radiator.
