£230,000 Freehold

A BEAUTIFUL COTTAGE CURRENTLY USED AS A HOLIDAY LET SITUATED IN A PICTURESQUE RURAL LOCATION, BUT STILL BEING ACCESSIBLE TO SHOPS AND OTHER AMENITIES AND FACILITIES AND TO EXCELLENT TRANSPORT LINKS.

We are very pleased to be asked to market this two bedroom quirky character cottage which we believe dates back to the 1850's and provides a home which has a cosy feel and at the front overlooks open fields and farm land. Used as a holiday let on different sites, it provides an ideal investment let. The property has been upgraded throughout with a new kitchen and bathroom having been fitted, but still retaining its character with original beams and internal doors and for all that is included to be appreciated, we strongly recommend that interested parties do take a full inspection so they are able to see the whole property for themselves. The property has recently had a log burning stove incorporated in the brick chimney breast in the lounge which is positioned to the front of the cottage and this helps to provide a warm feeling throughout the cottage and helps to add to the charm and character. With nearby walks, the canal is close-by with open countryside making this an idyllic location in the heart of Shardlow!

The property has on the road parking at the front and is constructed of brick to the external elevation under a pitched tiled roof and provides tastefully finished accommodation which has quality flooring fitted throughout and derives all the benefits of having gas central heating and includes a lounge which has the feature fireplace incorporating the log burner and beams to the ceiling, inner hallway which leads to the luxurious bathroom that has a shower over the bath position and at the rear is the exclusively fitted dining kitchen which has white gloss fitted wall and base cupboards and integrated appliances. To the first floor the landing leads to the two bedrooms, both of which have laminate flooring. To the rear of the cottage there is a very private block paved courtyard garden which has a raised brick bed and provides a lovely place to sit and enjoy outside living during the warmer months. The property is ideally situated for walks along the nearby canal and the overlooking fields.

Shardlow is a pretty village which is situated approximately 6 miles from Derby and 11 miles from Nottingham. There is an abundance of local history and today Shardlow is considered one of the most complete examples of a surviving canal village which adds to the appeal of the area as a place to live. Although the location has very much a rural feel, it is only a few minutes drive away from the shops and other amenities found in nearby Castle Donington as well as those found in Long Eaton where there are Asda and Tesco stores and many other retail outlets with other shops being at Pride Park and Derby. There are excellent local pubs and places to eat in Shardlow, walks in the surrounding picturesque countryside as well as other areas of South Derbyshire and one of the really important advantages of living at Shardlow is its close proximity to the excellent transport links which provide good accessibility to Derby, Nottingham, Loughborough and Leicester. With close proximity also to J24 of the M1 as well as the A50 and A42 being on the doorstep, this allows easy access to other parts of the East and West Midlands and further afield. East Midlands Airport is only a few minutes drive away with the skylink bus service providing transport to Castle Donington and the airport and East Midlands Parkway station is again only a short drive away which as well as the M1 provides another means of transport to the North and South of the country.
