

High Road,
Toton, Nottingham
NG9 6EH

£335,000 Freehold

THIS IS A TRADITIONAL, GABLE FRONTED THREE BEDROOM DETACHED HOUSE WHICH PROVIDES THE OPPORTUNITY TO BE SIGNIFICANTLY EXTENDED IF A NEW OWNER WANTS TO CREATE A LARGER PROPERTY.

Being located on High Road in the middle of Toton, this traditional property, which was originally built in the 1920's, offers a lovely family home with the potential to alter the internal layout to the existing property or significantly extend to the sides and rear. The property is being sold with the benefit of NO UWPARD CHAIN and for the size and layout of the existing accommodation and privacy of the gardens to be appreciated, we recommend that interested parties do take a full inspection so they can see all that is included in this lovely property for themselves. The property is well placed for easy access to the well regarded local schools provided by Toton as well as many other amenities and facilities including excellent transport links, all of which have helped to make this a very popular and convenient place to live.

The property stands back from the road and is constructed of brick with render to the external elevations under a pitched tiled roof and the well proportioned accommodation derives the benefits of having gas central heating, with a relatively new boiler having been fitted, double glazing and solar panels to the roof which provide an income of approx. £750 per quarter. Being entered through an enclosed porch, the accommodation includes a reception hallway, a lounge with a large bay window to the front and a feature stone fireplace and there is an archway from the lounge to the separate dining area, from which there are patio doors leading out to the large conservatory and the kitchen has wall and base units and integrated cooking appliances and a door leading out to the side of the house. To the first floor the landing leads to the three bedrooms, all of which have ranges of either built-in or fitted wardrobes and the original bathroom has been changed into a shower room, but could have a bath reinstated if preferred by a new owner. Outside there is a driveway to the left hand side of the house which leads to a double tandem concrete sectional garage, there are lawned gardens at the front, right hand side and rear which have established borders and screening to the boundaries and as previously mentioned, subject to obtaining the necessary permissions, the property could easily be extended to the sides or rear.

Toton is a very popular residential area with there being a Tesco superstore on Swiney Way and further shopping facilities found in the nearby towns of Beeston and Long Eaton and at Chilwell Retail Park where there is an M&S food store, Next, TK Maxx and several coffee eateries, there are the excellent schools for all ages within walking distance of the property, which has been one of the main reasons why people have wanted to move to Toton over the past couple of decades, there are healthcare and sports facilities including several local golf courses, walks in the park and playing fields across the road from the house and at the picturesque Attenborough Nature Reserve and the excellent transport links include J25 of the M1, stations at Beeston, Long Eaton and East Midlands Parkway, the latest extending to the Nottingham tram system which terminates at Toton and provides another means of transport to and from Nottingham city centre and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

Agents Note

There are solar panels fitted to the roof which are owned by the property and these, over the last 2 years, have provided a feed in tariff of approx £6,000 which equates to approx £750 per quarter. We would like to point out this has been at a time when the property was not being lived in and therefore no electricity was really being used at the house.
