A BEAUTIFULLY EXTENDED FOUR BEDROOM DETACHED FAMILY HOME

Robert Ellis are delighted to welcome to the market this superbly presented and significantly extended detached family home, situated in a popular residential area just a short distance from Mapperley Top and with excellent access to local amenities, schools, and Nottingham City Centre.

The property is ideal for families seeking versatile living space and modern comforts. Accommodation briefly comprises a spacious entrance hallway with tiled flooring, ground-floor WC, and a useful utility room. The main lounge enjoys timber-effect flooring and opens via double doors into a stylish dining kitchen, fitted with white gloss units, integrated appliances, and tiled flooring. The standout feature is the extended L-shaped family/dining room with partial underfloor heating and patio doors leading to a covered side terrace—perfect for year-round entertaining.

On the first floor, there are four well-proportioned bedrooms, including a generous master with a modern, fully tiled en-suite shower room. A contemporary family bathroom, also fully tiled and featuring a white suite with vanity storage, completes the upper floor.

The home benefits from gas central heating via a combination boiler, UPVC double glazing, an alarm system, and solar PV panels that contribute to reduced energy bills via the feed-in tariff.

Externally, the property offers a double-width block paved driveway providing ample off-road parking. To the rear, a deceptively spacious garden features a large patio, brick-built BBQ, generous lawn, shed, and partial open views. Situated on Marshall Hill Drive, the property enjoys easy access to a wide range of local amenities. Nearby Mapperley Top offers an excellent selection of shops, cafés, restaurants, and supermarkets. Families will appreciate the proximity to well-regarded schools, including The Wells Academy and Carlton Academy. There are regular public transport links and main road connections providing access to Nottingham City Centre, making this an ideal spot for commuters and families alike.

A fantastic family home in a convenient and highly regarded location — early viewing is essential.
