A DOUBLE FRONTED THREE BEDROOM
DETACHED FAMILY RESIDENCE.

An instantly attractive period double fronted three bedroom detached family residence.

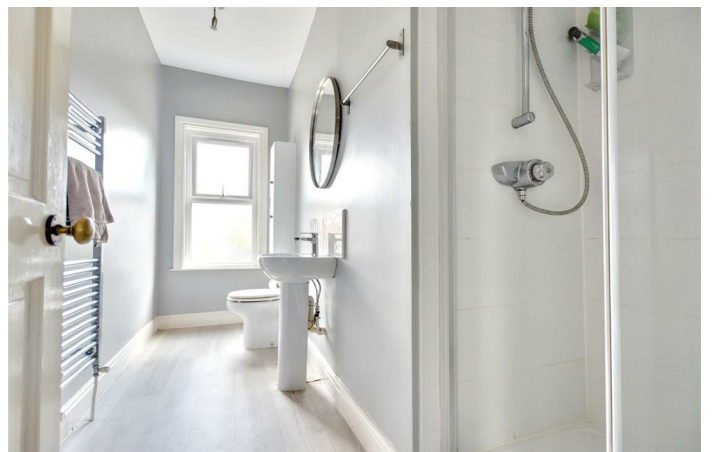

This late Victorian property retains its heritage with mock-sash double glazed windows to the front elevation and original features such as an impressive fireplace to the open plan dining kitchen, and original fireplaces to the two double bedrooms. This is complimented by modern living which, of course, includes gas fired central heating and the addition of an en-suite shower room to the principal bedroom.

Further features include a useable cellar (currently used as a "man cave") and a cloakroom/WC beyond the kitchen, great for easy access from the garden.

The rear garden is of a generous size with lawns, a patio area and pathway leading to the foot of the garden where there is a contemporary seating area with pergola and BBQ.

Situated in this highly regarded residential suburb, great for families and commuters alike, schools are within walking distance including Fairfield and George Spencer Academies*. There are parks and open space nearby, as well as being within walking distance of Stapleford town centre. For those looking to commute, a short drive away can be found the A52 linking Nottingham and Derby, as well as Junction 25 of the M1 motorway and the park and ride for the Nottingham tram which passes through Beeston and the Queen's Medical Centre.

With the central hallway, separate living room and open plan family dining kitchen, this property is truly deserving of an early internal viewing.
