A THREE BEDROOM SEMI DETACHED
HOUSE WITH OFF ROAD PARKING AND
GARAGE TO THE REAR.

Set back from the road in a prime position can be found this traditional three bedroom semi detached house with the benefit of OFF STREET PARKING and GARAGE to the rear.

This traditional bay fronted property comes to the market for the first time in a generation and benefits from gas fired central heating and double glazing, and has recently been decorated to allow the incoming purchaser to move straight in and put their own mark upon it long term.

The property is situated on a generous garden plot set back from the road with a good frontage, currently enclosed gardens, although there may be potential for off-street parking, subject to a dropped kerb and granted planning consent. A short walk away can be found Queen Elizabeth Park, a public open space with playing fields, tennis and bowling green, with the town centre itself also within walking distance. For those looking to commute, the A52 for Nottingham Derby and Junction 25 of the M1 motorway is no more than two minutes drive away, as is the park and ride for the Nottingham tram.
