£225,000 Freehold

THIS IS A TWO DOUBLE BEDROOM DETACHED BUNGALOW SITUATED ON A QUIET CUL DE SAC ON THE OUTSKIRTS OF THE SOUGHT AFTER VILLAGE OF ASTON ON TRENT.

Being located on Shirley Park, this two double bedroom detached bungalow is being sold with the benefit of NO UPWARD CHAIN and is ready for a new owner to take immediate occupation. In time, the property could do with some updating works being carried out, but this is not required to start living at the property which is something people will see when they view. For the size and layout of the accommodation and privacy of the rear garden, we do recommend that a viewing is taken so that interested parties can see all of that which is included with this lovely bungalow for themselves.

The property stands back from the road and has a gable fronted appearance and is constructed of brick to the external elevations under a pitched tiled roof. The well proportioned accommodation derives the benefits of having gas central heating and double glazing and includes a reception hall, a large lounge with French doors leading out to the rear garden and a coal effect gas fire set in the chimney breast. The kitchen is fitted with extensive ranges of wall and base units and has integrated appliances. The two double bedrooms are positioned at the front of the bungalow, the main bedrooms has a range of fitted wardrobes and the second bedroom has recently been used as a dining room. The tiled and panelled shower room has a walk-in shower but could have a bath reinstated if this was preferred by a new owner. Outside, there is an adjoining garage on the right hand side of the bungalow, a drive, pebbled parking area and lawn at the front, and at the rear there are patio/ seating areas around the garden, a lawn, established borders and fencing with natural screening and a wall to the boundaries.
