Long Eaton, Nottingham
NG10 2EZ

£249,995 Freehold

A TWO BEDROOM PROPERTY SITUATED AT THE HEAD OF A QUIET CUL-DE-SAC ON A LARGE PLOT WHICH PROVIDES GARDEN AREAS TO THREE SIDES.

Being located at the end of Armitage Drive, this extended semi detached property provides a lovely home which has garden areas to three sides with there being a log cabin and a steel storage shed to the right hand side of the property with this area of land being accessed from either the front or rear garden. For the size and layout of the accommodation and privacy of the large garden areas to be appreciated, we do recommend interested parties take a full inspection so they are able to see all that is included in this lovely home for themselves. The property is only a few minutes away from Long Eaton town centre and to excellent transport links and is therefore a very convenient and popular place to live.

The property was originally built by Westerman Homes and has an attractive facia brick to the external elevations under a pitched tiled roof. Over recent months an additional piece of land at the front has been purchased which extends the garden area at the front of the house along the head of the cul-de-sac which helps to give privacy and control to the land at the end of the cul-de-sac. The accommodation derives the benefits of having gas central heating and double glazing and includes an open porch leading through a UPVC front door to the reception hall, from which stairs take you to the first floor and doors lead to the lounge, which in turn has French doors to the large conservatory, the kitchen is positioned at the front and this has wood grain finished units, there is a most useful utility room which is accessed from the conservatory and a ground floor w.c. To the first floor the landing leads to the two bedrooms with the main bedroom having a built-in wardrobe and drawers and the fully tiled bathroom has a shower over the bath. Outside there is a garage store positioned at the front of the house with a drive which provides off road parking for two vehicles, there is a lawned garden and to the right hand side of the adjoining drive there is a gate which provides access into a garden area at the side which is where the log cabin and steel storage shed is positioned but this area could also provide an ideal storage space for a caravan, motor home or similar vehicle. At the rear of the property there is a recently laid patio leading onto a lawned garden which has beds to the side and the rear garden is kept private by having a wall to the left hand boundary and recently installed fencing to the rear and right hand boundaries.

Although the property is situated on a quiet cul-de-sac on the edge of Long Eaton, it is within easy reach of the excellent local schools which includes The Grange infant and primary schools as well as the Wilsthorpe School being within a few minutes drive, the town centre provides excellent local shopping facilities including Asda, Tesco, Lidl and Aldi stores as well as many other retail outlets, there are healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields and close to the property is the Long Eaton football club which provides a lovely area to walk on the adjoining fields and the excellent transport links include junctions 24 and 25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
