A THREE BEDROOM DETACHED FAMILY HOME OFFERING WELL PRESENTED ACCOMMODATION THROUGHOUT.

Robert Ellis are pleased to bring to the market this deceptively spacious three bedroom detached family home constructed by Barratt Homes in 2012. The property is extremely well presented throughout with a new owner being able to move straight in. Standing on a corner plot the property has great stance and curb appeal from the road with the benefit of off street parking and access to a detached garage. We believe this property will have a high level of interest and an early bird viewing is highly recommended to secure this delightful property.

The property is constructed of an attractive facia brick to the external elevation all under a pitched tiled roof and derives the modern benefits of gas central heating with the boiler fitted in 2019 and double glazing throughout. In brief the accommodation comprises of an entrance hall with cloaks/w.c. off, spacious lounge with dual aspect windows to the front and side, dining room opening out into the kitchen with great amount of natural light due to the French doors leading to the garden and dual aspect windows to the front and side. To the first floor there are three good size bedrooms, two with fitted wardrobes and an en-suite to the master bedroom and the family bathroom with a three piece white suite. Outside there is a private enclosed garden with lawn and patio and side access to the detached garage. There is also a lean-to storage cupboard at the rear of the property.

Situated within a popular family location, conveniently placed for access to a range of local amenities including shops, restaurants, schools, public houses and within walking distance to Attenborough Nature Reserve. The property also provides easy access to bus links in and around the city and Beeston train station for journeys further afield.
