

Grenville Drive
Stapleford, Nottingham NG9 8PD

£220,000 Freehold

A THREE BEDROOM SEMI DETACHED
HOUSE.

A traditional bay fronted three bedroom semi detached house.

The current owners have improved the property over the years with a replacement roof, replacement uPVC double glazed windows, upgraded electrics, upgraded the central heating with a gas combination boiler and had a conservatory built in 2017 which benefits from electric underfloor heating.

The surprisingly spacious accommodation comprises entrance hall, lounge open to a separate dining room, modern fitted breakfast kitchen which gives access to the conservatory to the rear. There is a ground floor lobby leading off the dining room and this gives access to the bathroom. Rising to the first floor, the landing provides access to three well proportioned bedrooms (bedroom one has the benefit of an en-suite cloaks/WC).

The property has the benefit of off-street parking to the front and enjoys a particularly good size rear garden, decked area, lower garden laid to lawn with mature shrubs and fruit trees, and backs onto school playing fields.

Situated on this no-through road in this popular residential suburb, great for families and commuters alike. Albany Junior School is a short walk away, as is the soon to be completed sports and community hub on Hickings Lane, offering a 21st century multi-use facility. There is a regular bus service on Hickings Lane. Stapleford town centre is within easy reach and for those looking to commute further afield, the A52 is a short drive away which links Nottingham and Derby, including Beeston, Nottingham University and Queen's Medical Centre, as well as Junction 25 of the M1 motorway.

This property will suit first time buyers and young families and a viewing is recommended to appreciate the size of the accommodation and gardens on offer.
