

**West End Crescent
Ilkeston, Derbyshire DE7 5GJ**

**AN IMPRESSIVE FIVE BEDROOM DETACHED
HOUSE WITH ONE BED SELF-CONTAINED
ANNEX.**

Offers Over £650,000 Freehold

Situated within one of Ilkeston's premier addresses can be found this substantial five bedroom detached family residence with a one bed self contained ground floor annex with its own address (21A) and Council Tax Banding which can be rented out.

This impeccably presented and maintained property comes to the market in a ready to move into condition offering surprisingly spacious and stylish modern interior which offers a fantastic flexibility for families of all ages.

Upon entering the property, you are welcomed into a spacious hallway with feature staircase and your eyes are drawn immediately through to the living family dining kitchen at the rear of the property. This offers a high quality range of fitted kitchen units with built-in appliances, including three ovens, microwave, full size fridge and separate freezer, dishwasher, impressive central island unit with induction hob and integrated extractor fan system. This is a great place for socializing and entertaining, with sitting and dining areas, both with bi-fold doors opening to a composite raised terraced deck - great for alfresco dining and relaxing, positioned to enjoy great views of the garden and fields beyond.

Leading off from this space gives access to a private annex with double bedroom, en-suite shower room and living kitchen which has French doors opening to a private decked area that links through to the main decking. This space is great for dependent relative, friends and family who visit often, teenagers or ideal for those looking to work from home with a separate space away from the main household.

Also leading off from the kitchen by a pocket door is a useful utility room and a further pocket door leads to a shower room and WC. If you are looking to escape from your busy household, there is a front reception room. Rising to the first floor, the landing provides access to five well proportioned bedrooms and a luxury four piece family bathroom with slipper bath. The rear bedrooms have Juliet balconies enjoying views over the garden and beyond. Situated towards the end of this no-through road in this highly regarded residential suburb, the rear boundary backs onto sports fields, is within walking distance of Rutland Recreation Ground and footpaths leading to the Nutbrook Trail and soon to be opened nature reserve, formerly the Pewit Golf Course. Schools for all ages are within easy reach, as are the town centre facilities.

Off-street parking is provided for at least two vehicles to the front, there is an integral garage/carport and beyond the raised decked area is a patio and expanse of lawn. Also, underneath the deck, is a useful storage facility.

A truly remarkable and one-off property that requires a detailed internal viewing to be fully appreciated.

HALLWAY

15'1" x 6'2" (4.62 x 1.88)

BEDROOM FIVE

7'0" x 6'3" (2.15 x 1.91)

Currently used as a nursery with radiator, double glazed window.

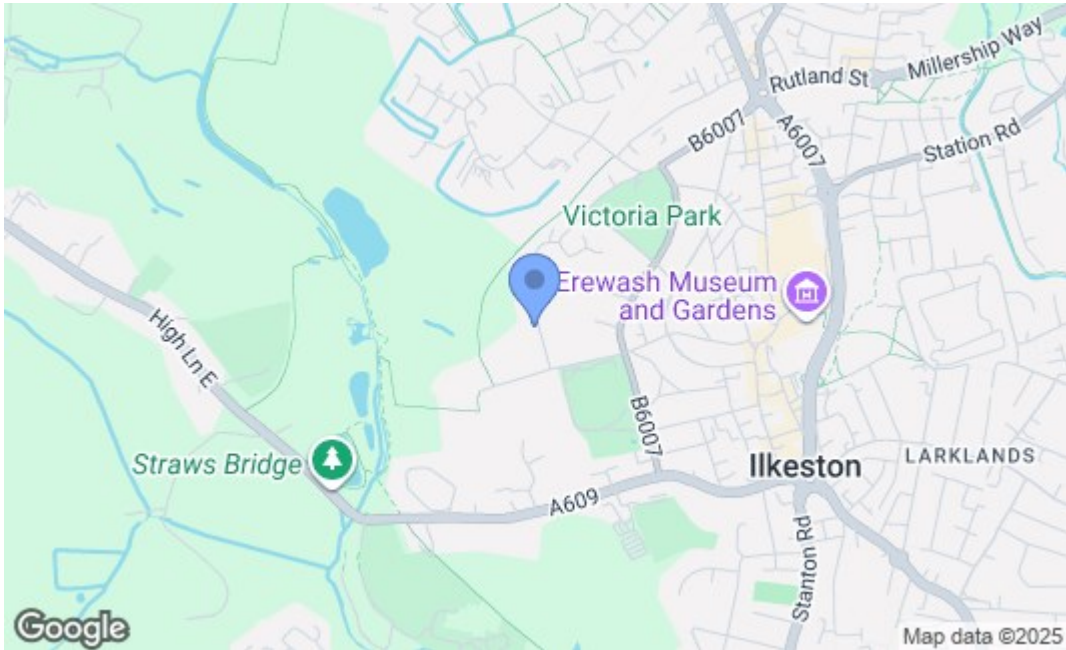

OUTSIDE

The property is set back from the road with forecourt providing parking for up to three vehicles, partially walled and fenced-in, access to the attached garage to the side of the property with planning permission to integrate in to house with bay window (snug). Side access to garden with gate to rear.

TO THE REAR

The property enjoys fantastic views over sports fields to the rear, exploited by the large "L" shaped raised composite decked terrace area with light and power, offering a fantastic space to BBQ and relax (especially in the Summer months). There is a feature glazed balustrade and steps with matching balustrade leading to a lower patio area. Underneath the decked area is a large storage facility which runs partially under the house. A low level fence and gate leads to the main gardens which are finished to lawn with two apple trees and other shrubs.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		
(81-91) B		
(69-80) C		
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs
