Tucked away at the end of a quiet cul-de-sac in the ever-popular village of Annesley, this beautifully extended four-bedroom end-terraced home offers generous living space, modern finishes, and countryside charm – all within easy reach of Nottingham.

As you arrive, the property immediately impresses with a double driveway and peaceful positioning overlooking the open playing field. Inside, the home opens into a welcoming entrance hallway with a convenient, newly furnished downstairs W.C. on the left. To the right sits a stylish kitchen-diner, complete with integrated appliances and ample worktop space, along with a useful under-stair storage cupboard.

From the hall, the main reception room is a bright, comfortable lounge with a wall-mounted TV, plush carpeted flooring, and space to accommodate two large sofas – a perfect spot for relaxing evenings in. The home has also been thoughtfully extended to the rear, adding a versatile second reception room currently used as a dining and games space. This area also features a wall-mounted TV and sliding doors that lead directly out to the rear garden.

The garden is a true highlight, offering a well-balanced layout with a patio area, central lawn, and a raised decking area that enjoys full sun – ideal for summer entertaining. There is also convenient side access leading back to the driveway.

Upstairs on the first floor, there are two generously sized double bedrooms, both fitted with custom-built spotlights and carpeted floors. One is currently used as a bedroom, while the other has been transformed into an impressive walk-in wardrobe. A third, well-proportioned single bedroom offers further flexibility for guests, a home office, or nursery. The family bathroom on this floor has been recently renovated to a high standard and features a sleek three-piece suite.

The second floor is home to a spacious and serene master bedroom, offering ample room for a king-size bed and furnishings. This room also benefits from its own en-suite shower room and access to additional loft storage.

Annesley is a fantastic location for those wanting the peace of countryside living with all the benefits of strong transport connections. Surrounded by beautiful open fields and rural walks, it's ideal for nature lovers, yet still only a short distance from Nottingham via convenient bus and train links. The area is served by well-regarded schools and has excellent access to the M1 and surrounding commuter routes.

This is a rare opportunity to secure a spacious, ready-to-move-into home in a desirable, semi-rural setting. Early viewing is highly recommended.
