*** Price Guide £220,000- £230,000***

Robert Ellis Estate Agents are delighted to bring to market this stunningly extended THREE BEDROOM MID-TERRACED HOME, quietly tucked away within a peaceful cul-de-sac in the ever-popular village of Calverton.

This deceptively spacious home has been thoughtfully upgraded and offers stylish, move-in-ready accommodation over two floors – perfect for first-time buyers, growing families, or investors seeking a turn-key property in a prime location. Local schools, shops, and public transport are just a short walk away, while excellent road connections provide easy access to Mapperley, Nottingham City Centre, and the surrounding countryside.

From the moment you step inside, the home impresses with its inviting entrance hallway, complete with wood-effect flooring, under-stairs storage, and a handy downstairs W/C. The modern kitchen/diner is both practical and elegant, fitted with a range of wall and base units, an integrated oven and hob, and space for all necessary appliances – making it an ideal hub for family meals and entertaining.

However, the true showpiece of this property is the spectacular garden room extension to the rear. Far more than just an additional reception space, this remarkable extension completely transforms the home. Featuring expansive Velux roof windows, recessed spotlights, and a wall of double French doors, the room is drenched in natural light throughout the day and offers unrivalled versatility. Whether used as a formal dining area, a family lounge, or even a luxury home office, this exceptional space flows seamlessly into the living room and out onto the garden, creating the ultimate setting for modern living. Few properties in this price range can boast such a high-quality, full-width extension – it is a genuine highlight and a feature that must be seen to be appreciated.

Upstairs, the property continues to impress with three well-proportioned bedrooms. The main bedroom enjoys fitted wardrobes and its own stylish en-suite shower room, while the remaining bedrooms are ideal for children, guests, or home-working. A contemporary family bathroom fitted with a three-piece suite completes the floor.

Externally, the home is equally well-presented. To the front, a block-paved driveway provides off-street parking alongside a neat, low-maintenance planted area. To the rear, the garden has been landscaped for both beauty and practicality, combining a patio, lawn, raised planters, and space for a shed – all enclosed with secure fencing to create a safe and private outdoor retreat.

With its immaculate interiors, versatile layout, and exceptional garden room extension that sets it apart from anything else on the market, this home represents a rare opportunity to secure a standout property in a highly desirable location.
