A FOUR/FIVE BEDROOM FAMILY HOME.

Situated in this prime residential location on a garden plot approaching a quarter of an acre is this substantial FOUR/FIVE bedroom detached family home with four reception rooms.

Offering spacious and adaptable accommodation, great for growing families. As soon as you open the front door you are welcomed into a large central hallway which gives access to the principal ground floor rooms, a living room with twin aspect and French doors opening to the rear garden, and undoubtedly the hub of the household is the semi open plan living family dining kitchen, a large space ideal for socializing and entertaining, and enjoys aspects over the rear garden. Also on the ground floor is an additional reception room, currently used as the dining room, a side lobby leading to a study, currently used as a fifth bedroom, there is a cloaks/WC and utility room. We believe these rooms could be adapted into a private ground floor living space, great for dependent relatives, as well as teenagers, etc. This versatile space is also ideal for those looking to work from home.

Rising to the first floor, the spacious landing gives access to the three bedrooms on this level, the guest with en-suite shower room and a family bathroom, a staircase from the landing leads to the fourth double bedroom on the second floor.

A particular feature of this property and what cannot be fully appreciated from the front is the substantial rear gardens which include a "secret" garden of approximately 365sqm which has been beautifully landscaped by the current owners and offers a private and tranquil space for families of all ages to enjoy and unwind. Within this private garden are two garden buildings, one in particular has been professionally built to provide a home office with insulation, double glazing, light, power and internet connection - great for those looking to work from home or could be used as a studio, den, etc.

The property also enjoys attractive formal gardens surrounding the rear elevation with large patio area and lawns, also offering a good degree of privacy. Off-street parking is provided to the front and there is a private shared service lane at the side of the property which gives gated access to a rear courtyard providing additional off-street parking and leading to a double garage.

Situated in this highly regarded residential suburb within Bramcote, a superb location for families and commuters alike, as schools for all ages are within easy reach, as is a number of open spaces including Bramcote Park and Hemlock Stone, Bramcote Leisure Centre is within walking distance, as is a regular bus service. For those looking to commute, the A52 is a short drive away which links Nottingham and Derby, as well as Junction 25 of the M1 motorway. Within easy reach is the bustling, vibrant town of Beeston, which has an array of shops and facilities and a great evening economy, as well as bus, tram and train links.

This fantastic family home has been well maintained over the years, benefitting from central heating served from a combination boiler and double glazing. We strongly recommend a detailed viewing to fully appreciate the property and grounds on offer.
