ROBERT ELLIS ARE DELIGHTED TO BRING TO THE MARKET THIS DETACHED COTTAGE ORIGINALLY DATING BACK TO THE LATE 1700'S SITTING ON AN OVERALL PLOT OF CIRCA QUARTER OF AN ACRE BEING POSITIONED IN THIS DESIRABLE AND SOUGHT-AFTER DERBYSHIRE VILLAGE LOCATION.

With accommodation over two floors, the ground floor comprises entrance hall, living room, dining room, conservatory, shower room and kitchen. The first floor landing then provides access to three bedrooms and a bathroom suite.

There are extensive grounds and buildings within the garden which include a 1903 Victorian detached brick built greenhouse, brick store, shed and detached double garage with electric door, both garage and greenhouse have power and lighting points.

Further modern day benefits include a combination boiler, alarm, double glazing, as well as off-street parking for several cars and vehicles.

The property sits centrally on its plot with gardens to the front, both sides and rear. Located in the heart of this popular and sought-after village location.

Locally within the village, there is a village school, Post Office/local shop and a highly regarded public house.

For those needing to commute, there are great transport links nearby to an from the surrounding area, including motorway networks and Ilkeston train station. There is also easy access to both Derby and Nottingham city centres, as well as ample outdoor countryside access.

We believe the property would suit those looking to reside in a village location in a property with lots of history. We highly encourage an internal viewing.

There is open access all the way around the property with the front benefitting from a raised lawn with planted flowerbeds and borders housing a wide variety of well stocked specimen bushes, shrubs, trees and plants. Along the boundary line, there is a well maintained and manicured garden hedge. The front garden then opens out to the left to a spacious lawn (ideal for families), rockery style wall and decorative gravel stone chippings. The side garden then opens out further to the rear where a further lawn can be found, enclosed by hedgerow and fencing to the boundary line, planted and tiered rockery/flowerbeds then continue with a further selection of specimen bushes and shrubbery. From the block paving on the driveway, there is a matching pathway which continues to the foot of the plot providing access to the detached 1903 Victorian greenhouse, as well as a circular paved patio entertaining space and additional lawn running to the side/rear of the garage. Within the garden, there is the benefit of an external lighting point and water supply. Situated to the top left of the garden is a further patio area beyond the greenhouse, decorative slate chippings and a pitched roof potting shed and compost area.
