A MODERN SIX BEDROOM DETACHED
FAMILY HOME. NO UPWARD CHAIN.

Situated on a commanding corner position is this modern and contemporary six bedroom detached family residence with accommodation over three floors. NO UPWARD CHAIN.

Built in 2015 by Jelson Homes, an East Midlands based family firm with over 130 years in the construction industry. This house has been finished to a particularly high standard and has been impeccably maintained by the current owners, coming to the market in a ready to move into condition.

With accommodation over three floors, the property offers a fantastic flexible space. Upon entering, you are welcomed by a large central hallway with feature staircase, there is a useful cloaks/WC and a study on this level, great for those looking to work from home. There is a through lounge/diner and a fully fitted dining kitchen with bi-fold doors opening to the rear garden. There is also a useful separate utility room.

Rising to the first floor, the galleried landing and staircase lead onto the second floor. To the first floor, there is the family bathroom and four double bedrooms, two of which are currently used as sitting rooms which shows the great flexible space this house has to offer. These could equally be used as home working spaces.

To the second floor is the guest double bedroom with en-suite shower room and the principal bedroom has an abundance of light with windows to three sides, a walk-in dressing room and en-suite shower room.

Positioned on a corner plot and set back from the road with attractive garden wall and railings, the property enjoys pleasant rear gardens with feature patio and lawns. A further feature of this property is the detached brick built double garage, previously the show office for the developer. The garage has electric roller door, plastered and insulated walls and ceiling, with a fitted kitchen unit. Currently used as a home gym but has great potential to be put to other uses.

Situated in this highly regarded residential suburb of West Bridgford, schools for all ages are within walking distance, as are local amenities, including the town centre of West Bridgford itself. For those who enjoy their sport, there is a number of open spaces, as well as being within walking distance of Trent Bridge Cricket Ground.

This remarkable property will tick the boxes for many growing family needs and we strongly recommend an internal viewing to fully appreciate the accommodation on offer.
