THIS IS A FOUR BEDROOM VICTORIAN SEMI DETACHED HOUSE WHICH IS NOW IN NEED OF A GENERAL REFURBISHMENT AND UPGRADE PROGRAMME.

Being situated on College Street, which is close to the heart of Long Eaton, this large semi detached property offers the potential for a new owner to upgrade the property to suit their own requirements or possibly suit a developer who is looking to purchase a property where they can rent the whole house or rooms individually. The property requires a large cash injection to purchase and upgrade and we are therefore looking for people who understand what is required to be carried out in this property, who has the knowledge and background to carry out the work required. The property is positioned within easy reach of all the amenities and facilities provided by Long Eaton and the surrounding area and to excellent transport links, all of which have helped to make this a very popular and convenient place to live.

The property stands back from the road with a walled area at the front and is constructed of brick to the external elevations under a pitched tiled roof. The accommodation derives the benefits of having gas central heating, with a relatively new boiler having been fitted, and from being mostly double glazed and includes an enclosed porch, reception hall, a through lounge which has a dining area and was originally two rooms, the kitchen is of a good size and fitted with wall and base units and to the first floor the landing leads to the three bedrooms and bathroom and there is a further double bedroom to the second floor. Outside there is the walled garden area at the front, a shared driveway running down the right hand side of the house and at the rear there is a garden with a brick built garage accessed from the shared driveway.

The property is only a few minutes away from the centre of Long Eaton where there are Asda, Tesco, Lidl and Aldi stores as well as many other retail outlets, there are excellent schools for all ages within easy reach, healthcare and sports facilities which includes the West Park Leisure Centre and adjoining playing fields and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
