GUIDE PRICE £200,000 - £215,000

Situated on a quiet residential circus in the heart of Colwick, this well-appointed three-bedroom terraced home offers a fantastic blend of space, convenience, and lifestyle. With low traffic levels, an on-site play park, and excellent access to Nottingham city centre via Daleside Road, this is a superb option for families, first-time buyers, or commuters.

To the front, the home benefits from a double driveway and full uPVC windows and doors throughout. Inside, the entrance hall leads to a modern kitchen and pleasant views over the driveway.

To the rear is a generously sized lounge with wall-mounted TV, understairs storage, and a control panel for the CCTV system. Sliding doors open into a lean-to conservatory currently used as a home gym, featuring heated flooring and overlooking the low-maintenance rear garden.

The garden itself is designed for easy upkeep, with raised decking, Astroturf lawn, and a shed/sun room at the rear. A gated rear access leads back to the main road.

Upstairs are two double bedrooms and a single bedroom, with the rear rooms enjoying views over the play park. The family bathroom is fully tiled and features a three-piece suite with a modern electric shower-over-bath unit. The loft is fully boarded with an electricity supply, offering useful additional storage or potential for further use (STPP).

The property also benefits from a disused garage plot, offering potential for future development or creative outdoor use (subject to permissions).

Located just a short distance from Colwick Country Park, the River Trent, Victoria Retail Park, and Netherfield town centre, the home enjoys easy access to green spaces, shopping, and essential amenities. Regular public transport links into Nottingham are within easy reach, making this a practical and well-connected place to call home.
