£1,500,000 Freehold

FOR SALE – The Edge Apartments, 10 Bar Lane, Nottingham NG6 0HU

A rare chance to purchase a freehold residential block offering a secure, long-term income stream with minimal management input. The property comprises 12 purpose-built self-contained apartments – ten two-bedroom units and two one-bedroom units – as well as a commercial unit on the ground floor currently producing a total gross income of £97,799 per annum, with guaranteed increases built into the lease from 2026 onward.

The building is leased in its entirety to Bespoke Supportive Tenancies Ltd (BEST), a well-established national provider of supported accommodation, under a Full Repairing and Insuring (FRI) lease that runs until July 2034. The tenant is fully responsible for all repairs, maintenance, and day-to-day management, making this an ideal hands-off investment.

The property is in good decorative and structural order, with no immediate capital expenditure required. In addition, the freehold includes a small ground rent and service charge income of £600 p.a. from a commercial unit (carpet retailer) located on the ground floor beneath the residential block, which is held under separate ownership.
