THIS IS A SUBSTANTIALLY EXTENDED TRADITIONAL PROPERTY WHICH PROVIDES A MAGNIFICENT LIVING/DINING KITCHEN POSITIONED TO THE REAR OF THIS UNIQUE HOME.

Being situated on Spinney Crescent which is a quiet service road running parallel with Stapleford Lane in the heart of Toton, this traditional property has been extended to the side and rear and now provides enlarged four double bedroom accommodation with spacious ground floor living areas which provide the open plan feel required by today's style of family living. It will be difficult for interested parties to be able to appreciate the size of the accommodation and privacy of the rear garden provided by just taking a casual glance at the front elevation, so we strongly recommend they take a full internal inspection so they can see the whole property for themselves. There is also a large garden room (18'10 x 10'10) positioned at the bottom of the rear garden which provides an ideal home office, gym, play room or external living area which again suits the requirements of many people currently looking for a new home. The property is well placed for easy access to all the amenities and facilities provided by Toton which includes excellent local schools and the latest extension to the Nottingham tram system which terminates at Toton and this provides an alternative means of transport to and from Nottingham city centre.

The property has an attractive appearance, being constructed of brick under a pitched tiled roof and the spacious and well proportioned accommodation derives all the benefits of gas central heating with under floor heating in the kitchen and sitting area at the rear and double glazing throughout. The property is entered through a stylish composite front door into a spacious hallway, from which there are stairs with a floating glazed balustrade leading to the first floor, a door leading into the separate lounge which is positioned to the front of the property and you walk from the hall to the open plan living/dining kitchen positioned at the rear which has an exclusively fitted kitchen area with white gloss handle-less units and integrated appliances, sitting room from which there are bi-folding doors leading out to the rear garden and a dining area which again has bi-folding doors leading out to the rear. Off the kitchen there is an inner hall leading to the utility room and a study/TV room. To the first floor the landing leads to the four double bedrooms, the main bedroom having fitted wardrobes and an en-suite shower room and there is the luxurious main bathroom which is fully tiled and has a white suite complete with a shower over the bath. Outside there is a block paved area at the front of the house which provides off the road parking and is easily maintained. To the rear there is a Southerly facing garden with a patio leading onto a lawn and at the bottom of the garden there is the garden room which has paving at the front and sides. This truly is an individual home which we are sure will appeal to people who are looking for a family property in the Toton area.

The property is within walking distance of the Tesco superstore on Swiney Way, there is a local Post Office within walking distance and further shopping facilities found in the nearby towns of Long Eaton and Beeston and at the Chilwell Retail Parks where there is an M&S food store, Next, TK Maxx and various coffee eateries.
