THREE-BEDROOM TOWNHOUSE ON
AWARD-WINNING TRENT BASIN
DEVELOPMENT

Guide Price £330,000 Freehold

THREE-BEDROOM TOWNHOUSE, AWARD-WINNING TRENT BASIN, COLWICK, RIVERSIDE LOCATION.

Nestled within the award-winning Trent Basin development, this contemporary three-bedroom townhouse offers modern, energy-efficient living in one of Nottingham's most exciting riverside communities. The location enjoys a peaceful neighbourhood setting while just moments from Colwick Retail Park, combining tranquillity with convenience.

The development has recently been enhanced by the near completion of the long-anticipated pedestrian footbridge over the River Trent, connecting Trent Basin directly to The Hook Nature Reserve and allowing easy access on foot or by bike into Lady Bay and West Bridgford town centre.

Upon entering the property, you are greeted by a bright and welcoming entrance hall providing access to a downstairs W/C, useful storage, and a view of the staircase. Stretching the length of the property lies the open-plan kitchen diner, featuring dual-aspect windows and French doors that open out to the private garden, as well as access to under stair storage. The kitchen is fully fitted with integrated white goods and enjoys a sleek, modern design that creates an airy and inviting space — perfect for entertaining or everyday family life.

On the first floor are two generous double bedrooms, both with floor-to-ceiling windows and plush carpeting. These rooms are currently utilised as a versatile home office and a nursery. Completing this floor is a beautifully presented three-piece family bathroom with contemporary ceramic tiling.

The top floor is dedicated to the impressive master suite — a spacious double bedroom with a walk-in wardrobe area, a stylish en-suite shower room, and direct access onto a private terrace. This elevated outdoor space provides the ideal spot for a morning coffee, evening BBQ, or simply a peaceful retreat above the rooftops.

Externally, the property benefits from a private rear garden with a patio area, rear access, and an allocated parking space behind the property in a courtyard. All parking on street is communal via permit.

This exceptional home combines high-quality design, energy efficiency, and a superb riverside location, offering modern living at its finest, with nature and the city both within easy reach.
