Tucked away on a quiet cul-de-sac in the popular residential area of Arnold, this well-maintained three-bedroom semi-detached home on Deer Park Drive offers spacious, modern living with excellent access to both city and countryside.

Perfectly positioned just around the corner from LIDL, a 10-minute walk to Arnold High Street, and with Bestwood Lodge Country Park just a stone's throw away, this property also benefits from fantastic transport connections — the A60 provides easy access to Nottingham city centre, and is a main bus route, while also leading out to open countryside.

To the front, the home features a double-width driveway, while the secure rear garden offers a lovely mix of patio and raised lawn, ideal for relaxing or entertaining outdoors. All windows and doors are uPVC double-glazed for energy efficiency and low maintenance.

Inside, the entrance hall gives access to all rooms on the ground floor and the stairs to the first floor. At the front, the kitchen is well-equipped with fridge-freezer, washing machine, dishwasher, oven, and gas hob, and is also home to the three-year-old boiler, tucked away for easy access.

What was once the garage has been tastefully converted into a generous dining room, with additional under-stair storage. To the rear of the home, the lounge spans the full width of the property, offering a welcoming living space with French doors to the garden, a gas fire, a secondary window for added natural light, and new flooring throughout (excluding the kitchen).

Upstairs, there are three double bedrooms. Bedrooms two and three sit at the rear with views over the garden, while the master bedroom to the front is a standout, complete with two sets of fitted storage and a modern ensuite featuring a double shower, WC, basin, and heated towel rail, all recently updated to a high standard.

The family bathroom is equally stylish, offering a modern three-piece suite with an all-in-one shower bath, freestanding basin, and WC. The landing also provides access to an insulated loft and a built-in airing cupboard.

This is a fantastic home offering comfort, practicality and a prime location close to parks, shops, schools, and excellent transport links — ideal for families, professionals, or anyone looking for a move-in ready property in a peaceful setting.

Early viewing is highly recommended.
