THIS IS A STUNNING FARMHOUSE PROVIDING FIVE DOUBLE BEDROOM ACCOMMODATION WHICH IS POSITIONED ON A PLOT OF APPROX 1 ACRE IN SIZE.

Being situated in the heart of this South Derbyshire village, this substantial farmhouse property offers spacious accommodation which is arranged on three levels. The property has been fully upgraded and modernised throughout and still retains many original features, both internally and externally and provides a beautiful home that we are sure will suit people looking for this style of property in the East Midlands. It would be difficult for people to appreciate the size of the accommodation by taking a quick glance from the road, so we recommend that interested parties take a full inspection so they can see the extent and size of the accommodation and gardens for themselves.

The property has a courtyard at the front which provides an extensive parking area and the building is constructed of brick to the external elevations with some of the walls having timber detail all under a tiled and thatched roof. Deriving the benefits of gas central heating the accommodation included comprises a spacious reception hall, from which there are stairs taking you to the first floor and there is a door to the cellar and a ground floor w.c. off, drawing room with double opening French doors leading out to the gardens, separate dining room, snug/sitting room, dining/living kitchen and off this large open plan living space there is a passageway taking you to a utility room and a very large games/family room which has a vaulted feature ceiling and a mezzanine floor which is accessed via a cast iron spiral staircase. To the first floor the landing leads to the main bedroom which has a large shower/bathroom en-suite, two further double bedrooms and the main family bathroom and from the landing there is a flight of stairs taking you to the second floor where there are two further double bedrooms. To the rear of the property there is an adjoining brick outbuilding which provides an ideal storage area for garden furniture, machinery etc., the courtyard and parking area is at the front and side of the house and the main gardens are to the rear and these are lawned with borders, a selection of fruit trees and there is natural screening to the boundaries which help to keep this main garden area extremely private.

Hemington is a most sought after village which is close to Castle Donington where there are a number of local amenities and facilities including a Co-op super market, various pubs, restaurants and schools, further main shopping facilities can be found in nearby Long Eaton, at The Wyvern on Pride Park and other nearby towns, there are healthcare and sports facilities which include several local golf courses, walks in the surrounding picturesque countryside and the excellent transport links which include J24 of the M1 which also connects to the A42, the A50 takes you to Stoke on Trent and joins to the M6, there is the East Midlands Parkway station, East Midlands Airport and a network of main roads which provide access to Derby, Nottingham, Leicester, Loughborough and other East Midlands towns and cities and there are also easy connections to the West Midlands from this location.
