THREE BEDROOM END OF TERRACE
HOME WITH DETACHED GARAGE

The front door opens into a well-kept entrance hall that immediately sets the tone for the quality throughout this home. To the right is a high-standard lean-to extension, built fully to regulations and currently used as a versatile second reception room and office space. This bright and functional room enjoys full electrics and heating, a skylight, a rear window, and a wall-mounted television, creating an ideal work-from-home environment or additional family area.

To the left of the hall sits the main lounge, a warm and inviting space overlooking the front garden. It features plush carpeting, a wall-mounted TV, and practical built-in storage. From here, glass doors lead through to the modern kitchen diner, fitted to an impressive specification with a breakfast bar and double doors opening directly onto the rear garden. The kitchen floor is finished with high-quality ceramic tiles and benefits from underfloor heating, adding both comfort and a premium feel.

The rear garden itself is a key highlight. South facing and notably wider than neighbouring plots, it has been designed with both relaxation and family living in mind. A patio and BBQ area flow onto a generous lawn, perfect for children, pets, or entertaining. At the bottom of the garden is a substantial double garage with an electric up-and-over door and convenient side access, offering outstanding storage and two secure parking options.

Upstairs, the property provides two spacious double bedrooms, with the main bedroom benefitting from an airing cupboard. The third bedroom is a well-proportioned single, thoughtfully designed with clever built-in space-saving furniture. A new loft hatch with ladder allows for easy access to additional storage, and a brand-new boiler ensures modern efficiency and peace of mind.

For added security, the house is fully alarmed and powered via a reliable mains supply.

The surrounding area is highly family-orientated, offering good local schools, attractive parks, everyday shops, and a wide range of amenities, all contributing to a convenient and enjoyable lifestyle.

This is a spacious, modern, and superbly located home with outstanding outdoor space and excellent parking. Early viewing is strongly recommended to appreciate everything it has to offer.
